Testimonials

I have been coached by many people around the world, but Corky is the only one who I have benefited from in ALL aspects of the game. His knowledge of the game, horses, tactics and his ability to put that into words and teach people is unparalleled in our sport. -**Glen Gilmore, Australian Polo Team Captain and 8 Goal Player**

When I first started in the U.S., Corky sold me a great mare...taught me that I was holding my reins wrong and changed my way of riding forever... It got me better at riding, and so better at polo, too. -**Caroline Anier, Former 4 goal player**

I have never met anyone, regardless of rating, who has not benefited from time with Corky. He knows the game inside and out. He can break it down to the tiniest particle, and then put it back together in a way that allows students to understand and utilize the information. -**Ronai White- Patrona Casa Blanca Polo Team**

Corky and Kathy study both horse and rider, as well as the rider's goals and expectations, before making critical recommendations. An excellent communicator, Corky will always tell you the unembellished truth and holds himself to rigors standards of excellence in all he does. -**Lyn Thompson, Horse Owner and Breeder**

Corky is the type of person who, after talking to him, you have learned a million new things and are happier than you were before the conversation began. **Jim Wright, Team USPA player**

Corky and Kathy are an outstanding team in all facets of life. Their integrity is beyond reproach and their willingness to help out is ever-present. I put my money where my mouth is and purchased 9 horses from them. **Gary Wooten- Former 5 Goal Player**
